Why should a director or officer care about the *James Hardie* decision?

Judge lashes Hardie's lies

Former James Hardie chairwoman Meredith Hellicar leaves her home in Mosman, Sydney, yesterday morning.

The "Seven Pillars of Wisdom"

1. Take your role seriously.
2. Clarify the scope of your role.
3. When can you rely on information or advice provided by others?
4. When can you delegate to others and not be responsible for the outcome?
5. Remuneration and other benefits.
6. Implement appropriate Board processes.
7. Appropriately protect yourself.
