Who Should Attend?

Chairs, Executive Officers and Senior Managers of Health Services and Primary Care Partnerships

Why Should You Attend?

This breakfast has been organised in recognition of the importance of Leadership to the successful implementation of organisational and inter-agency change management.

Presentations will focus on the importance of leadership in cultivating the right environment for systems reform and continuous quality improvement.

Simon Overland will talk about the role of leadership in implementing reforms in the Victoria Police. Rosie Rowe will present an example of inspirational leadership in relation to chronic disease management.

Presenters:

Keynote Speaker:

Mr Simon Overland
Chief Commissioner, Victoria Police

Ms Rosie Rowe
Director, Community Services and Allied Health
Western District Health Service, Hamilton

The Leadership Breakfast is an initiative of the Department of Human Services Integrated Chronic Disease Management Workforce Development Strategy.
