Review of existing student supervision training programs

NOTES:

All course fees are 2009 prices unless declared otherwise and are for domestic students.

For international students entry requirements and costs please visit the relevant websites.

Only courses which cater for all health disciplines were included, workshops specifically related to particular universities or disciplines have not been included (i.e. the Combined Schools of Social Work 1 day workshop for social worker student supervision)

*Monash Associate -Associates are those teachers with direct teaching responsibilities for Monash University Health Professional students i.e. clinical teachers, PBL tutors, clinical supervisors)

** ACE concession rate of \$450 for the full course (3 days) is available to clinicians with major clinical education responsibilities for Latrobe University (Faculty of Health Sciences) students, Deakin University Dietetics students or Monash University Pharmacy, Radiography or Radiotherapy students.
